- Evidence of an active and genuine faith in Jesus Christ
- Personal commitment to Christian schooling
- A belief that the Bible is God's inerrant and infallible word
- Agreement with CCA's Mission, Core Values, Purpose, Statement of Faith
- Agreement with CCA's employee lifestyle statement
- Evidence of active church attendance and membership at a church whose statement of faith is consistent with that of CCC and CCA
- Must have a welcoming and winsome personality
- Evidence of successfully serving as a Christian role model for a number of years
- Willingness to live and serve as a Christian role model as outlined in the CCA Employee Handbook
- Willingness to set an example of prayer, Bible study and unity in Christian fellowship
- Ability to communicate biblical truths to both students and adults
- Commitment to resolve professional and personal conflict biblically

Professional Requirements:
- Ability to teach math classes ranging from 7th grade math through Geometry or beyond
- Develop engaging mathematics lessons
- Ability to create and administer appropriate assessments
- Ability to differentiate instruction with regard to varied learning differences of students
- Keep daily and weekly records for attendance, grades and lesson plans
- Ability to integrate biblical truth into subject area
- Ability to integrate and teach appropriate technology in lessons
- Participate in faculty meetings, all-employee meetings and conferences
- Ability to manage a classroom effectively and efficiently
- Ability to develop positive rapport with students, parents and colleagues
- Ability to utilize school's SIS program (FACTS) effectively to communicate and keep records

- Ability to use platforms such as Google Classroom, Microsoft Teams
- Maintain a clean, attractive and well-ordered classroom environment
- Willingness to agree to follow policies and procedures set forth in the CCA employee manual

Personal Requirements:
- Strong communication skills in both speech and writing
- Organizational skills to maintain clear curricular goals and current records
- Strong confidentiality in communications and personal information
- Ability to successfully collaborate with other classroom teachers
- Recognition of the need for good public relations
- Ability to represent the school in a professional manner to its constituency and the public

Education:
- Bachelor's degree in math or math education required
- Secondary classroom teaching experience preferred
- State licensure or ACSI certification required
- Willing to be lifelong learner through continuing education

Physical Requirements:
The ability to stand, walk, sit, kneel, bend, reach, grip, push, pull, carry, lift, lower for a duration of time. Ability to lift 25 pounds. The ability to use fine motor skills including tactile while performing a task.

Acknowledgement:
I acknowledge that I have read the job description and requirements for the Junior High Math Teacher position and I certify that I can perform these functions.
